Orlando, FL | (407) 579 2446 | tyler.riccardi7@gmail.com | www.linkedin.com/in/tylerriccardi

EXECUTIVE SUMMARY

Finance major at the University of Central Florida and startup founder building revenue intelligence software. Skilled in financial reporting, QuickBooks, and data analysis with a background in engineering software. Demonstrated leadership as a club Vice President, managing budgets and coordinating cross functional events. Certified in Bloomberg Market Concepts and multiple CAD platforms with a technical foundation in Python and MATLAB.

EDUCATION

University of Central Florida, Orlando, FL **May 2027**
Bachelor of Science in Finance

PROFESSIONAL EXPERIENCE

Fourseat, Orlando, FL **January 2026 to Present**
Founder

- Built a decision workspace for startup founders that connects operational data from Stripe, GitHub, and Slack to find revenue anomalies
- Developed a multi agent system with Finance, Tech, Strategy, and Contrarian personas that debate data and generate action plans
- Managed the full product lifecycle from initial concept to public waitlist launch and accelerator applications

Tax Zone, Orlando, FL **July 2025 to Present**
Accounting Assistant

- Perform bookkeeping, bank reconciliations, and transaction categorization for multiple client accounts
- Prepare and organize client tax documents, ensuring accuracy and regulatory compliance
- Generate financial reports and enter data into accounting systems, reducing manual processing time
- Collaborate with senior accountants to identify discrepancies and implement corrective entries

OTC Manufacturing Lab, Orlando, FL **July 2023 to August 2023**
CNC Machinist Intern

- Operated and maintained CNC machines and lathes to fabricate custom precision parts for engineering projects
- Utilized CAD and CAM software (Fusion 360, SolidWorks) to translate designs into production ready toolpaths
- Mentored engineering students on machining best practices while enforcing lab safety compliance

ACADEMIC PROJECTS

Financial Statement Analysis Project **Spring 2025**

- Conducted a comprehensive analysis of a publicly traded company's income statement, balance sheet, and cash flow statement
- Computed key financial ratios (liquidity, profitability, leverage) and benchmarked against industry peers
- Presented findings and investment recommendation in a structured written report

Bloomberg Market Concepts (BMC) Certification

2025

- Completed four modules covering economic indicators, currencies, fixed income, and equities
- Applied real time market data analysis tools to assess portfolio performance and macroeconomic trends

ACTIVITIES

S.T.E.M. Club, University of Central Florida

January 2024 to July 2025

Vice President

- Organized workshops and professional speaker events to promote STEM engagement across the university community
- Managed event logistics, vendor coordination, and a project budget exceeding \$2,000
- Collaborated with officers to drive membership growth and secure sponsorships for club initiatives
